

Every two years, an International Week is organised for our students. It is our pleasure to welcome teachers from different foreign universities who will present various topics linked with: Paediatrics, Elderly care, Mental health, Public health, Palliative care, Medicine or surgery...

The International week is an opportunity to meet colleagues and develop new partnerships.

Next International week will be in october 2023.

INFORMATION FORM ET ABSTRACT

To register for the event, please fill out the form below.
